

Discounted Lift Tickets, Rentals, and Lessons

Discounts will be available for participants, family, and friends for the upcoming ContinuEd Veterinary Ski Symposium in Whistler. We will have a discount code (available soon) that will provide access to discounted rates on lifts, lessons, and rentals.

Discounts of up to 20% off the "at the window" rate will be available. That can add up to HUGE savings over the course of several days skiing, particularly if there are several people in your party.

Discount codes and contact information will be provided with your registration confirmation, but until then, representative rates are shown below.
